

## More Than a Home Care Provider

At **Caring People**, we are passionate about what we do and we believe that everyone has the right to age with dignity and comfort in the familiarity of their own home.

We believe in a holistic approach to providing home care and have a diverse team of care professionals from companions, home health aides, licensed practical nurses, and registered nurses. Our team is always available to assist our clients and we invite you to contact us with questions. We want you to be a part of our family, and we strive to become a part of yours.

Call us today to speak with our Home Care Consultants who will help to determine the necessary level of care for you or your loved one.

## More Than a Home Care Provider

Home Care Services For All  
Five Boroughs of New York  
& Westchester

**718.425.4620**

## Care Services

Every care plan is customized for the individual to meet their specific needs and goals. Our certified home health aides and companions are background-checked, trained, and selected to provide the care needed for your loved one. All home health aides perform their duties under the direct supervision of registered nurses.

- ✔ Transitional Care Coaching
- ✔ Dressing & Toileting Assistance
- ✔ Meal Preparation
- ✔ Medication Reminders
- ✔ Safety & Supervision
- ✔ Ambulation Assistance
- ✔ Companionship
- ✔ Light Housekeeping
- ✔ Dementia Care
- ✔ MD Escort
- ✔ And Much More...

## Skilled Nursing Services

Our team of licensed practical nurses, nurse practitioners, and registered nurses provide care services for clients with more complex medical needs. Our fully staffed medical professionals aim to deliver the highest level of specialized care with a specific focus on each of our individual client's needs.

- ✔ Ventilator Management
- ✔ Tracheotomy Care
- ✔ Chronic Illnesses & Injury Care
- ✔ Enteral Feedings
- ✔ Catheter Management
- ✔ Diabetes Management & Care
- ✔ Wound Care
- ✔ Pain Management
- ✔ Medication Management
- ✔ And Much More...

## Care Management

Our care managers are social workers and certified care managers with years of experience and a wealth of knowledge. Using a holistic approach, we ensure your loved one's medical, social, emotional, financial, and legal needs are being met by providing the following:

- ✔ Comprehensive Assessments
- ✔ Ongoing Care Management
- ✔ Advocacy
- ✔ Care Planning
- ✔ Care Coordination
- ✔ Accessing Appropriate Resources
- ✔ Medical Advocacy
- ✔ Medicaid Applications
- ✔ And Much More...
